Men's Accessories

Montblanc aims to become the destination for men's luxury accessories and gifts with luxurious and stylish products targeting millennials, establisheds and collectors.

Each product is a true dedication to style, elegance and sophistication. The closer one looks, the more obvious become the details that make the difference.

A wide selection of cufflinks in steel, silver or gold responds to different styles while a range of bracelets provides a further lifestyle touch. A selection of money-clips and tie-bars completes the offer.

Ladies' Jewellery

The Montblanc Ladies' Jewellery category represents the Maison's expression of femininity, based on the Montblanc snowcap emblem. Montblanc jewellery, in either silver or gold, may be worn every day, all day long.

New additions to Ladies' Jewellery will bring a touch of colour and edginess to better appeal to a millennial clientele and will contribute to strengthening the assortment in the accessible segment.
