Meisterstück Le Petit Prince

Montblanc Meisterstück, the iconic writing instrument passed from one generation to the next, will pay special tribute to the importance of imagination and deep, personal bonds. This special edition of the iconic Montblanc Meisterstück features the inspiring and tender characters of the little prince and the fox from Antoine de Saint-Exupéry's Le Petit Prince, the fourth most translated book in the world and voted the best book of the 20th century in France.

The little prince's voice whispers an essential message in our ears: sharing one's dreams and values is what makes life meaningful, bringing an element of eternity to our lives. Writing is a gift. A gift to be passed from one generation to the next.

Montblanc Bonheur

Rooted in the heritage of the x9zo's fashion revolution, our new writing instrument epitomises elegance and freedom.

It's about a revolution: women freed from corseted elegance, moving into luxurious yet pure, simple apparel. It's about borrowing from men to create a uniquely female style and character, and thus about moving freely: working, breathing and playing, all at the same time. It's about black and white. Women and men. Elegance and function.

The Montblanc Bonheur Collection, the perfect companion for any occasion: Bonheur (zox7), Bonheur Nuit (zox7), Bonheur Weekend (zox8) and Bonheur Boyfriend (zox9). The last companion embodies style and freedom, playing on androgynous codes.

Montblanc Heritage Collection

This collection celebrates a rich heritage of historic design and an on-going spirit of invention. The first safety fountain pen with integrated ink tank developed by Montblanc starting in 1906 was one of the early innovations that made the company famous. Today, Montblanc craftsmanship carries on the same tradition. For those who appreciate the treasures of the past, each Montblanc Heritage edition interprets the history of Montblanc in a new way.
